***INDIVIDUAL SUPERVISION SCHEDULE*** is to be determined with your individual clinical supervisor. Every practicum trainee receives one hour of individual clinical supervision with a licensed clinician per week.

**TIME OFF:** Part-time practicum trainees are entitled to have 90 hours of leave time during their training year at RAMS. In addition, they have days off on the ten holidays when RAMS is closed: ***Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and Day after Thanksgiving, Christmas Day, New Years Day, Martin Luther King Day, and President's Day.*** There is no separate sick leave– any sick time or time to be taken off for any reason other than a pre-approved educational activity is considered leave time. Vacations can be taken at times deemed appropriate by a trainee's clinical supervisor and the Director of Training; trainee is responsible for finding coverage for ongoing clients and intakes. Please note that, save for some very unusual circumstances, no vacation time will be approved during the last three month of the training year (therapy termination time).
